Students who wish to borrow funds from the William D. Ford Federal Direct Loan Program should be aware of the following federal regulations:

3. All borrowers must complete the Free Application for Federal Student Aid (FAFSA) before loan eligibility can be determined.

4. Students must be enrolled in at least 6 credit hours to be eligible for a student loan. A student will be certified for a loan ONLY for the hours enrolled that are within the his/her degree plan.

5. Students may qualify for a subsidized loan (interest-free during enrollment) and if not, a student will qualify for an unsubsidized loan. **Note: Those receiving Pell should qualify for a subsidized loan.**

6. Every loan must be delivered in two equal disbursements per semester. The second disbursement will be delivered after the midpoint of the semester.

7. For students enrolled in 4-week classes, if you are enrolled in at least 6 credit hours but less than 6 hours have actually begun, you will not be eligible for your first loan disbursement until you have begun attendance in at least 6 credit hours.

8. First-time borrowers who are first-time entering students must wait thirty (30) days after the semester begins to receive the first disbursement.

9. All borrowers must complete an exit loan counseling session prior to graduation, if he/she ceases to be enrolled at least half-time, or upon termination of enrollment at [www.studentloans.gov](http://www.studentloans.gov).

10. All borrowers should understand that class attendance through the 60% point of the semester is mandatory under the Federal Title IV Funds regulation. If a borrower quits attending or withdraws before that point, he/she may owe a refund to BRTC and/or the U.S. Dept. of Education for funds received that were not earned.

11. As of July 1, 2013, all first time borrowers who qualify for subsidized loans will no longer be eligible for that type of loan if the borrower exceeds 150% of the published length of their program.
