

# Active Shooter Response Training Instructor Course

## A.L.I.C.E. Training Course (Alert, Lockdown, Inform, Counter, Evacuate)

This two-day course is designed to teach proactive, survival strategies in violent intruder or active shooter situations to law enforcement as well as school, church, hospital and workplace administrators, and employees. This course provides training that will bridge the gap between the time a violent event begins and law enforcement arrives.

### Location:

Black River Technical College  
1410 Highway 304 East  
Adult Education / Continuing Education Building  
College Drive  
Pocahontas, AR 72455

**Date & Time: April 24 & 25, 2014 8:00 a.m. - 4:00 p.m.**

**Registration: \$495 per person – Registration Deadline: Wednesday, April 9**

Register at [www.alicetraining.com](http://www.alicetraining.com) or Click link <http://bit.ly/BlackRiverTechApr24>

### Course Modules:

- **Background:** You will become knowledgeable of statistics and information about active shooter situations and why A.L.I.C.E. training is effective.
- **A.L.I.C.E. Concept:** We will deliver a detailed overview of A.L.I.C.E. training and the liability of proactive vs. passive response strategies.
- **Physical Drill:** You will experience live scenario drills that compare a static vs. active A.L.I.C.E. response.
- **Effective Training:** You will receive strategies and be provided with materials to become an effective A.L.I.C.E. instructor in your organization.

**Hosted by: Black River Technical College, Corporate & Community Education**
