in the field of Science, Technology,
Engineering and Math (STEM).

2019 YOUNG INNOVATORS' ACADEMY

- **Learn** how STEM influences our everyday lives.
- **Find** out more about STEM-related industries.
- **See** how the future of STEM offers exciting career opportunities for young men and women.
- **Meet** and work with other students.
- **Visit** a location where critical thinking is the "Only Way Out".
- **Hear** about career and educational pathways directly from community leaders and education partners.
- **Participate** in hands-on STEM education career simulations, teambuilding and problem solving activities.
- **Find** out what kind of skills you will need to prepare for a career in STEM careers.
- **Capstone Event:** Parents and participants are invited to an awards dinner celebrating the skills acquired throughout the Academy. Dinner will be held on Thursday, August 1, at the RCDC Banquet Room at 5:30 pm. Please RSVP to 248-4180, by Tuesday, July 30.

The Academy is **\$25.00** and is open
to students entering
Grades 7-12 in the fall of 2019.

Monday through Thursday
July 29 – August 1, 2019
