New BRTC Portal *my* BRTC Opens Monday, April 2

The new student account portal will be LIVE on Monday, April 2. The student portal is a centralized location for you to access the following:

- Registration for classes (Fall 2018 and beyond)
- Financial aid awards
- Student billing and payments
- Course catalog
- Academic calendar
- Transcripts
- Email
- and more!

The student portal is a **work-in-progress**, so keep checking back for updates!

Login to *my* BRTC

myBRTC has a different username and password than you are using today. In fact, once you enter this username and password, it will be the same one you use for **everything** at BRTC—your email will be the same format, but it is not linked to *my* BRTC .

1. Type in https://mybrtc.blackrivertech.org

2. Your username is firstname.middleinitial.lastname@students.blackrivertech.edu

   For example, if your name was Harry Clyde Potter, do the following:

   Username: harry.c.potter@students.blackrivertech.edu

   If you **do not have a middle name**, do the following:

   Username: harry.potter@students.blackrivertech.edu

3. Your password is your 6-digit birthdate: MMDDYY.

   For example, if your birthday is June 2, 1993, your password is the following:

   Password: 060293

4. Once you are logged in, you will be prompted to change your password before you go further.

Your initial password is your 6 digit birthdate – **MMDDYY**, example June 2, 1993 would be 060293

Class Registration Information

In order to register for classes, make sure you read the following.
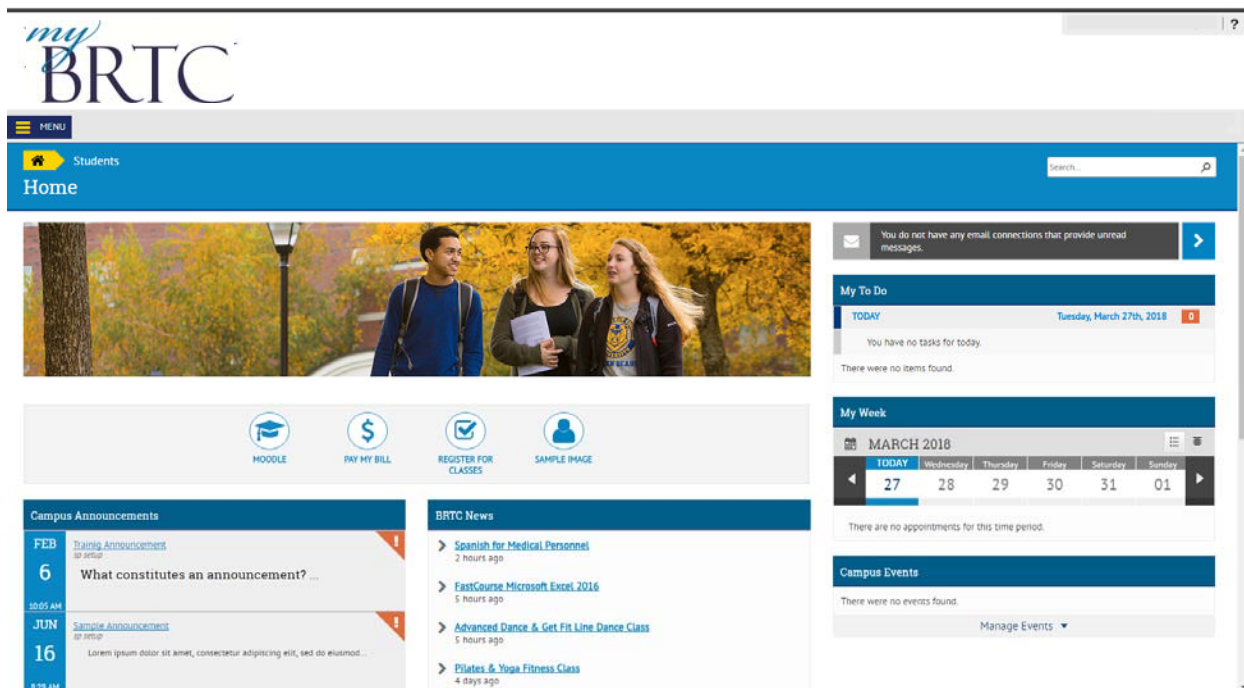

2018 Summer I and Summer II

Register in **Campus Connect** using the same login and PIN as you used in the past.

2018 Fall

Register using **myBRTC** only **after** you meet with your advisor.

> **Note**: If you are a first-time student, you will register for classes with an admissions advisor

1. Login to **myBRTC**
2. You will see a screen similar to the one pictured below. Click on the **Register For Classes** button and follow the prompts.
