

Student Parking 2018-2019

All students driving a vehicle on campus must obtain a registration/parking permit. Students are to park in areas designated with **YELLOW**. New permits are issued in the **Fall Semester** of each year effective for one year. Permits may be transferred from one vehicle to another if needed. Parking permits may be obtained at the Student Account Payment Center Window located in the Administration Building.

One parking permit will be issued per school year at no charge. Any **additional parking permits** will have a \$5.00 charge.

Parking fines are \$5.00 for the first violation and increase by \$5.00 for each additional violation. (For Example: 1st violation \$5.00, 2nd violation \$10.00, 3rd violation \$15.00, etc.)

The following violations and penalties are listed in the Black River Technical College Catalog:

1. **No Parking permit/Not registered to park.**
2. **Hanging permit not properly displayed.**
3. **Defacing, reproducing, altering or illegal use of permit.**
4. **Falsifying registration information.**
5. **Driving/Parking on grass.**
6. **Parked in space reserved for handicapped.**
7. **Faculty/Staff parking in yellow parking area. (YELLOW designated for students!)**
8. **Student parking in white area. (WHITE designated for faculty/staff!)**
9. **Double parking/blocking.**

Below are some commonly listed excuses given for violating parking regulations and the reasons appeals based on these excuses are denied. These excuses may seem valid to the violator, but they do not address the laws of the State of Arkansas or Black River Technical College. The listed excuses generally will not result in citation dismissal.

- 1. SHORT ERRANDS.** A short errand is a very common excuse, but it is not valid for illegal parking.
- 2. LATE FOR CLASS, BUSINESS, APPOINTMENT.** Lateness does not permit the driver to violate the parking regulations of BRTC.
- 3. NO OTHER PLACE TO PARK-THE LOT WAS FULL.** This excuse only confirms the violator's liability. It is every driver's responsibility to locate legal parking.
- 4. DID NOT SEE SIGN OR LINE-MISUNDERSTOOD SIGN.** Drivers are required to observe signs and lines when parking. This may mean checking an entire lot from corner to corner.
- 5. SOMEONE WAS IN THE CAR-PARKING LIGHTS ON-EMERGENCY LIGHTS FLASHING-NOTE LEFT ON VEHICLE REGARDING WHEREABOUTS-MOTOR LEFT RUNNING.** Many drivers believe that evidence of a short stay mitigates the violation. All non-moving regulations apply no matter how short the stay. Such evidence does not constitute a valid reason for citation dismissal.
- 6. ONLY PARKED A FEW MINUTES.** Same as #5.
- 7. NO CITATIONS WRITTEN ON OTHER VEHICLES FOR SAME VIOLATION.** Sometimes enforcement personnel must leave an area before all vehicles are checked. All citations, however, stand alone.
- 8. REGULATION HAS NOT BEEN ENFORCED IN THE PAST.** Previous failure to enforce parking regulations is not a valid reason for violating such regulations.
- 9. EVERYBODY DOES IT-DONE IT FOR YEARS, ETC.** BRTC parking regulations make no provision for rewarding past patterns of violations whether citations were written or not.
