The CDA Program represents a national effort to credential qualified caregivers who work with children from birth through five years of age.

The CDA Competency Standards are composed of goals and functional areas needed to be a competent caregiver. These goals are:

- 1) to establish and maintain a safe and healthy learning environment
- 2) to advance physical and intellectual competence
- 3) to support social and emotional development and provide positive guidance
- 4) to establish positive and productive relationships with families
- 5) to ensure a well-run purposeful program responsive to participants needs

**Deadline for Registration is August 14.**
