

HOW TO BIND A QUILT CLASS REQUIREMENTS

1. Please bring a quilt sandwich; top, batting, and backing that is at least 18 x 22 inches. It must be quilted in some way...you can do straight lines, curved lines, or tie every three to four inches. You will also need one half yard of cotton fabric.

NOTE: If you do not have a quilt sandwich, the instructors can provide one for a small fee. Please call Rhonda, at BRTC Community Education at 248-4180, if you need one so that we can let the instructors know how many to bring.

2. Please bring your working sewing machine as well as basic supplies: rotary cutter, scissors, cutting mat, ruler, pins, seam ripper, neutral colored thread, sewing needle if you wish to hem it by hand, extra machine needle and bobbin.
