*The CDA Program represents a national effort to credential qualified caregivers who work with children from birth through five years of age.*

The CDA Competency Standards are composed of goals and functional areas needed to be a competent caregiver. These goals are:

- 1) to establish and maintain a safe, healthy learning environment
- 2) to advance physical and intellectual competence
- 3) to support social and emotional development and provide positive guidance
- 4) to establish positive and productive relationships with families
- 5) to ensure a well-run, purposeful program responsive to participant needs
- 6) to maintain a commitment to professionalism
