

# Black River Technical College

Corporate & Community Education is offering:

## OSHA 10-HOUR GENERAL INDUSTRY COURSE & OSHA 30-HOUR GENERAL INDUSTRY COURSE

Taught by Steve Rister, OSHA Authorized Outreach Trainer

**WHO SHOULD ATTEND?** The OSHA General Industry Training Courses are intended for safety personnel, trainers, foremen, supervisors, architects, engineers, and management in facilities, including, but not limited to: plants, factories, manufacturing, health care, warehousing, distribution, and retail.

**WHY ATTEND?** OSHA Outreach Training is the principal method used to train workers in the essentials of occupational safety and health in general industry work sites. The courses cover specific OSHA standards and requirements as they apply to general industry and teach safety awareness which helps in recognizing and reducing the risks of job site hazards.

---
