

SNIPER OPERATIONS I (50 HOURS)

June 5 - 9, 2017

BRTC-LETA Pocahontas, AR

This course is designed for law enforcement officers that are assigned to the position of SWAT Sniper/Precision Marksman/Designated Marksman. It is a physically and mentally demanding training course that requires officers demonstrate proficiency on the CLEST-required course-of-fire, written test and various practical exercises.

Officers should be prepared to take the American Sniper Association Functional Fitness Test during the course. Officers will be given 2 chances to fire the CLEST-required course-of-fire or they will not pass the course.

Gear Requirements

Scoped bolt-action or semi-automatic rifle capable of shooting a 1-inch group at 100 yards (rifle sling and bipod required, semi-autos require at least 3 mags)

Shooting bags

Backpack for carrying all gear

Hydration system/canteens/Nalgene bottles

Camouflage uniforms (2) with long sleeves

Gloves

Camo "boonie"-style hat

Eye and ear protection

Body armor

Load-bearing gear (vest, chest rig, belt rig, etc.)

Duty pistol and holster

Flashlight w/spare batteries

Bug spray/sunscreen

Personal meds/First aid kit

Knife or multi-tool

550 cord

Wet-weather gear

Note taking materials and thumb drive storage device

Gallon-size ziplock bags (3-4)

Contractor-grade trash bags (2)

Snacks

Cleaning kit/weapon maintenance gear

Camo face paint or mask

Good boots/spare socks

Binoculars or spotting scope

Gas mask

Ammo: we will provide up to 400 practice rounds of match grade .308 Remington 168 grain BTHP or match grade .223 Remington 62 grain BTHP. If an officer wishes to shoot their duty ammo and/or another caliber, they will be responsible for providing their own ammo.
