*Mike and Maxine: Whither Thou Goest—Two Alzheimer's Journeys*, tells the moving story of a couple taken from each other and from friends and family by Alzheimer's. The essays in the memoir are personal. They are painful. But they are not without humor, sweetness, and love.

Guests will hear selections from the book read by the book's author, Jan Ziegler, and by its editor and voice actor, Heather Tyler. Tyler is Ziegler's daughter; she is credited by her mother with bringing the book to print. All proceeds benefit the Eddie Mae Herron Center and the Alzheimer's Association.
