Find out what the future holds for you in the field of Science, Technology, Engineering and Math (STEM)

2018 YOUNG INNOVATORS ACADEMY

- **Learn** how STEM influences our everyday lives.
- **Find** out more about STEM-related industries.
- **See** how the future of STEM offers exciting career opportunities for young men and women.
- **Meet** and work with other students.
- **Visit** a location where critical thinking is the "Only Way Out".
- **Hear** about career and educational pathways directly from community leaders and education partners.
- **Participate** in hands-on STEM education career simulations, teambuilding and problem solving activities.
- **Find** out what kind of skills you will need to prepare for a career in STEM careers.
- **Capstone Event:** Parents and participants are invited to an awards dinner celebrating the skills acquired throughout the Academy.

The Academy is **A FREE PROGRAM** open to students entering **Grades 9-11** in the fall of 2018.
