FIVE RIVERS HISTORIC PRESERVATION, INC.

The Arkansas Historic Preservation Program will be holding its second barn preservation lecture and tour at St. John the Baptist Catholic Church, Parish Hall, 4650 Engelberg Road in Pocahontas.

Rudy R. Christian of Christian & Son, Inc., will present the free lecture “**The Value of Stewardship**,” which will include information on documenting barns, assessing their condition, and proactive maintenance.

Rudy and Laura Christian have worked as conservation specialists in timber framing since 1982. They have led restoration efforts around the world and offer instruction in the appropriate preservation of historic timber structures.

Following lunch, which will be provided by AHPP, participants will visit the historic Engelberg barns, where Christian will demonstrate their preservation needs and maintenance priorities.

The Engelberg barns are 7/10 of a mile south of St. John on Engelberg Road. Participants will need to take personal cars and wear sturdy, mud-proof shoes.
