

BRTC DRONEBLOCKS

CAMP

July 15-18 & 22-25, 2019
9:30-11:30 AM

DroneBlocks is a fun way to teach simple, basic coding techniques and programming concepts. Students will program flight missions for Tello and Spark drones. DroneBlocks teaches STEM and real-world applications of drone technology.

Register at Black River Technical College in the Continuing Education Building on College Drive in Pocahontas, Monday through Thursday 7:00 a.m. and 4:30 p.m.
